## EVERYDAY SUPPORT, IN THE BEST STYLE POSSIBLE

This model is perfect for demanding parents.

It impresses with its innovative solutions, including **detaching the carrycot or seat unit using one hand** due to **memory buttons**. To provide full comfort, **the hood, headrest and harness can be adjusted with one simple hand movement**.

Venicci Tinum Upline is equipped with a **magnetic seat unit harness**, which means it can be fastened quickly and easily. All these functionalities along with the **beautiful, refined embellishments** make this model stand out.

## WHAT'S NEW?
